CSI Standard Color Selection Guide

for the Following Products:

Color Hardener, Release Powder, Overlays, Microtoppings, Restore Concrete Stain, Tinted Sealers

Combining Art and Science in Concrete
* The colors on this color card approximate, as closely as possible, the appearance obtained in natural light. Variables, including job conditions and finishing techniques, affect the final color. If color accuracy is critical, a pre-construction sample utilizing actual job site materials and construction methods is required. Information contained in this brochure is to the best of our knowledge, true and accurate but all recommendations or suggestions are made without guarantee. Since the use of the products is beyond our control, ChemSystems, Inc. disclaims any liability incurred in connection with the use of our products and any information contained herein.
